

The Department of Education has selected your 2018–2019 Free Application for Federal Student Aid (FAFSA) for review in a process called 'Verification.' The law says that before awarding Federal Student Aid, your school may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the Johnson University Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences between your application information and your financial documents, Johnson or you may need to make corrections electronically or by updating your FAFSA. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Johnson University Financial Aid Office. Johnson may ask for additional information.
