### PRODECURES FOR APPLYING

Please answer each of the following questions thoroughly (Please attach your **typed responses**).

- Have you gone on a mission internship in China? If so, give some specifics, including when it was, the length of stay, your responsibilities, your accomplishments, and what you learned.
- Have you been involved in outreach to students at the University of Tennessee from mainland China or their families? If so, please describe what you have done and the frequency of your involvement.
- Do you feel called to China? Describe the evolution of this call with specific examples. Describe your level of commitment.
- What are your plans after graduation?
- What specific activities are you engaging in to prepare yourself for future ministry?
- List two references. Please give the name, address, phone number, and e-mail address of two people who are knowledgeable of either your involvements with a China internship, your outreach to Chinese students at UT, or your passion to impact China for Christ.
