In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits.

**Certification to the VA.** Enrollment at Johnson University will be reported by the School Certifying Official (SCO) for each Fall and Spring enrollment period, noting credit hours, start/end dates, tuition, and fees. Students must submit a certificate of eligibility for entitlement to educational assistance no later than the first day of a course of education (the first day of a term). The University's VA Certifying Official may also require additional information necessary to the proper certification of enrollment. Students are also responsible for the difference between the amount of the student's financial obligation and the amount of the VA education benefit disbursement. While payment to the institution is pending from the VA, Johnson University agrees that it will not: prevent the student's enrollment; assess any late penalty fees to the student; require the student to secure alternative or additional funding; deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

I, Jon Weatherly, do hereby certify this addendum to be true and correct in content and policy. Our institution will adopt this addendum, effective August 1, 2019, and will incorporate this policy into the next revision of our catalog.
