

Faculty & Staff Mental Health Resources

The University Counseling Center (UCC) seeks to provide the highest quality of services while maintaining the confidentiality and privacy of our clients. Due to the nature of the center the UCC is unable to provide services to Johnson University's faculty, staff, and dependents there of. When requested, the Director of Clinical services is able to provide referral information for various mental health services in the area. Contact Director at: ext 2163 or eeisenhart@johnsonu.edu
