

I. Graduating Student Exit Survey

The Graduating Student Exit Survey is administered each spring and distributed to all students preparing to graduate. Its goal is to collect feedback on job placement outcomes, academic and career preparedness, the quality of campus services, and students' overall university experience. Numbers reflect cumulative respondent totals beginning spring 2023.

II. Alumni Survey

The Alumni Survey is administered each spring and distributed to Two-year and Five-Year graduates across all programs. Its purpose is to collect insights on career outcomes, including job placement, salary levels, and how well their education prepared them for success in their chosen fields at the time of the survey administration. Numbers reflect cumulative respondent totals beginning spring 2023.
